CALL TO ORDER

Chair Laman called the work session meeting of the Board of Directors of Astoria School District No. 1C, Clatsop County, to order at 5:33 P.M. on August 20, 2019 at Gray School Board Room.

Superintendent Hoppes provided an overview of the strategic planning process including what was accomplished during the 2018-2019 school year and what needs to be completed before the final version is implemented. Melissa Linder provided a draft of the three priority focus areas. The areas are:

- Achievement for All
- Creating Healthy Schools
- Engaging Families and Partners

Board members and administrators got into small groups and discussed the three areas. At the end of each priority each group shared what they discussed and provided insight on which areas within each priority the District should concentrate on.

Superintendent Hoppes stated that he would provide an updated draft of the priority areas for the board at their September Board meeting.

The work session ended at 8:13 p.m.
