HIGHWAY 202 ROAD WORK INFORMATION

The afternoon of Tuesday, June 13th, 2017 bus routes 1 and 2 will be impacted by the highway 202 road closure at approximate mile post 3.4. Students traveling on those routes after mile post 3.4 will be arriving home approximately 30-45 minutes late. Students that reside in homes before mile post 3.4 will be transported to the Transportation Department located at Highway 101 Business and placed on a separate bus (Bus #30) that will take them to their drop off location. This should have a minimal impact to their drop off times. On the morning of Wednesday, June 14th, 2017 the closure will have no impact for students that live past mile post 3.4. Students that live before mile post 3.4 will be picked up at normal time but in bus 30. The afternoon of Wednesday, June 14th, 2017 will proceed the same as June 13th, 2017. Highway 202 is scheduled to reopen on Thursday June 15th, 2017 at which time all routes will be as normally scheduled.

Please call (503) 325-4550 if you have questions.
