

Astoria School District

Students Rights and Responsibilities Agreement

In Astoria School District, we take very seriously the privilege and responsibility we have for educating our students. We value the partnerships we are able to build with students and families, based on communication, mutual respect and understanding. These partnerships are powerful in creating an environment where students experience success. It is also important to develop a set of rules and expectations, so all students are educated in a safe and respectful environment. Our Rights and Responsibilities for Students and Families Handbook outlines rights and expectations we believe will help create the best possible learning environment for students throughout the district.

We believe that it is important that student and families understand our expectations and what you can expect from us. We make every effort to communicate our expectations with families before the school year begins. Therefore, the Rights and Responsibilities for Students and Families Handbook is posted on our website (www.astoria.k12.or.us) and is emailed out to parents at the beginning of each school year to reduce printing costs and provide convenient accessibility. A printed copy of the handbook will be provided for all parents who request one and are available in every school office. Each school may also provide students and families with additional school-specific information, expectations, and procedures, and will make every effort to review and teach essential expectations with students.

Please take the time to review the expectations in our district's Rights and Responsibilities Handbook and go over them with your child. Please sign below and return to the school office.

- I have received an electronic copy of Astoria School District's Rights and Responsibilities for Students and Families handbook by email or can access on the district's website (www.astoriak12.or.us).
- I requested and received a paper copy of Astoria School District's Rights and Responsibilities for Students and Families handbook.
- I have received a copy of the Parent/Student Handbook from my child's school.

I have read and reviewed the content of the handbook with my child/student. We understand that students will be held accountable for their behavior and will be subject to the disciplinary consequences outlined in the Code of Conduct.
