

## PARENT FEEDBACK NEEDED

Dear Parents:

Astoria School District staff continue to work to meet the needs of all students. Three years ago, the District adopted a new strategic plan, which helps to provide a road map as to how the district will provide educational services to all students. This year, the District is coming up on the final year of the three-year strategic plan. We plan to spend time reviewing the strategic plan this spring and putting in place strategies to meet the needs of our students for the next three years.

As we move forward with the strategic plan, it is important that we seek feedback from staff, students, and families about our efforts to serve our students and community. We appreciate you taking a few minutes to complete this survey. We are committed to using this information to recognize our strengths and identify areas where we can always work to improve.

Surveys will also be available at parent teacher conferences beginning on Wednesday, November 7, 2018.

Please use the link or QR codes below to take the Astoria School District-Parent Feedback Survey.
